Thur 4:30 - 5:30 pm and 6 -7 pm  
Sat 12:00 -1:00 pm

## Relapse Program

The relapse program consists of intensive relapse education. The goal of this program is to help clients with identifying relapse triggers & how those old behaviors lead them into Relapsing. Once identified, as a team, we help develop a strong Relapse Prevention Plan.

## Special Programs

From time to time there are individuals that are in need of additional, or special program considerations. We can fulfill the requirements needed for you to complete the program.

## Program Costs

Cost of treatment is based on the individuals income sliding fee scale, however, **payment plans are available** to each client. INSURANCE IS ACCEPTED!

## Other Services

Assessments/ Evaluations  
(including Out-Of-State assessments)  
Urinalysis  
Substance Abuse Professional (SAP)  
DOT Standards  
Individual/ Family Counseling  
Intervention

**12-Hr D.W.I Education \$75.**

**15-Hr Drug Offender Education \$90**
