ADAAP Intensive Out Patient Graduate

When I started at ADAAP, I was nervous. Although I felt I could handle almost anything, I learned quickly that my mistakes were no different than my classmates'. It was like they were telling MY STORY. I'd become so focused on legal problems, I ignored everything else. When a fellow student explained his own self epiphany, I realized that bad events do happen, & what's important is your reaction. ADAAP's program gave me the courage to end my heinous, codependent relationship, & I'm currently very active in my home group.

Without a doubt, hands down, ADAAP is the finest IOP rehab in all of Austin! Their staff is first class & their curriculum provides clients the tools to deal with their recovery & relapse prevention! ADAAP counselors help participants to openly examine themselves & their life choices, so they can be healed! *I thoroughly recommend this awesome place!*

Ten years ago this month I reached out to ADAAP for help with my problem with Alcohol. My ADAAP counselor took a very personal approach. She challenged me to get sober & encouraged me when I felt overwhelmed. ADAAP was instrumental in my facing & understanding my disease. I've had over a decade of sobriety, largely because of the support, guidance & first steps I got from the staff at ADAAP!

This program helped me to look at the parts of my life I was ignoring & refused to see. Once I recognized & accepted these situations, I started doing the healing & recovery work!
Thank you ADAAP.

At the beginning I was nervous & didn't know what to expect. I was immediately made to feel welcome. After a couple of weeks I began to look forward to coming here each week & not only making more & more progress, but seeing the progress made by everyone. We could relate on so many levels, not only substance abuse, but legal issues as well.

God Forgive Me When I Whine!

ADAAP
7801 North Lamar
Bldg D #109
Austin, TX 78752

Today, upon a bus, I saw a very beautiful woman, & wished I were as beautiful.
When suddenly she rose to leave, I saw her hobble down the aisle.
She had one leg & used a crutch, but passed me with a smile.
Oh, God, forgive me when I whine.
I have 2 legs, the world is mine.
I stopped to buy some candy. The lad who sold it had such charm.
I talked with him, he seemed so glad.
If I were late, there'd be no harm.
And as I left, he said to me.
"I thank you, you've been so kind. It's nice to talk with folks like you."
You see," he said, "I'm blind."
Oh, God forgive me when I whine.
I have two eyes, the world is mine.

I couldn't have done it without ADAAP!

Later while walking down the street,
I saw a child I knew.
He stood & watched the others play,
but he did not know what to do.
I stopped a moment & then I said,
"Why don't you join them dear?"
He looked ahead without a word.
I forgot, he couldn't hear.
Oh, God, forgive me when I whine.
I have two ears, the world is mine.

With feet to take me where I'd go,
With eyes to see the sunset's glow,
With ears to hear what I should know,
Oh, God, forgive me when I whine.
I've been blessed indeed, the world is mine.

What Does Love Mean?

When a group of professionals posed this question to a group of 4-8 year-olds, they received the following answers:

1. Love is when you go out to eat & give somebody most of your French fries without making them give you any of theirs. Crissy (age 6)
2. Love is when you love somebody, your eyelashes go up & down & little stars come out of you. Karen (age 7)
3. Love is like a little old woman & a little old man who are still friends even after they know each other so well. Tommy (age 6)
4. When my grandmother got arthritis, she couldn't bend over & paint her toenails any more. So my grandfather does it for her all the time, even when his hands got arthritis too. That's love. Rebecca (age 8).
5. Love is when a girl puts on perfume & a boy puts on shaving lotion & they go out & smell each other. Karl (age 5)
6. Love is when you tell a guy you like his shirt, & he wears it every day Noelle (age 7)
7. My mommy loves me more than anybody. You don't see anyone else kissing me to sleep at night. Clare (age 5)
8. Love is when your puppy licks your face even after you left him alone all day. Mary Ann (age 4)
9. When someone loves you, the way they say your name is different. You just know that your name is safe in their mouth. Jessica (age 8)

**How Can I Serve The World?
Rainbow Johnson**

I can give just one word.
 But what word shall it be?
 A word of comfort to the suffering.
 A word of encouragement to the downtrodden.
 A word of solace to the discouraged.
 A word of cheer to the lonely.
 A word of understanding to the rejected.
 A word of forgiveness to the guilt-laden.
 A word of love to everyone I meet.
